Career History

Co-Director, A Taille Humaine ; Melbourne, Australia - 2010/2011

I went to Australia to shoot my first self-produced web-documentary, directed with Marion Payen. Online soon.

- building a website from scratch with Adobe Flash
- meeting people and finding locations
- shooting for three months

Sale Representative, The Smart Group ; Melbourne, Australia - 2011

The Smart Group, a marketing company, hired me as a door to door sale representative for Simply Energy.

- building a rapport with customers
- explaining them how the electricity market works
- Signing them with Simply Energy

Director, Carry the Day ; Calais, France - 2009

I directed this self-produced thirteen-minute documentary film about Afghan migrants in Calais who try to cross the Channel.

- writing the scenario and meeting the characters
- directing a shooting crew for one week
- supervising editing, sound mixing and calibration

Director, Escazal Films ; Paris, France - 2009

Escazal Films, a French movie producer, hired me to shoot a ten-minute making-of for their new television film broadcasted on France 2.

- meeting the film director and the crew
- being on and out the stage during all the shooting
- editing a ten-minute video
